B. All detached garages must be located at the rear of the main residence building, and no attached garage shall be located within thirty (30) feet of the front building line unless its location is approved in writing by the Architectural Control Committee.

C. C. No fence, wall or hedge, or any pergola or other detached structure shall be erected, grown or maintained on any part of any lot in front of the front building line of any residential lot. All fences located along the outer perimeter of any lot must be six (6) feet in height, and constructed of redwood/cedar, unless

The committee members shall serve staggered terms of two (2) years each. In the event any one of said committee members shall die, resign or become ineligible to act, the Board of Directors of SPRING SHADOWS CIVIC ASSOCIATION shall appoint a successor. Any one of said members may be removed by the said Board of Directors, with or without cause, and said Board of Directors may appoint a new successor. A majority of such Committee shall have the right to designate a representative or representatives to act for it in all matters arising hereunder. Neither the members of such Committee nor any designated representative shall be entitled to any compensation for services performed pursuant to these restrictions. The powers and duties of the Committee, as from time to time constituted, shall continue in force during the effective period of the restrictions hereby created.

SECTION 2: Minimum Construction Standards. The Architectural Control Committee may, from time to time, promulgate an outline of minimum acceptable construction standards; provided, however, that such outline will serve as a minimum guideline, and said Architectural Control Committee shall not be bound thereby.

SECTION 3: Approval of Building Plans. No building shall be erected, placed or altered on any building site in SPRING SHADOWS SUBDIVISION until complete copies of the building plans and specifications, and a plot showing the location of any such building, have been approved in writing as to conformity and harmony of external design, with existing structures in SPRING SHADOWS SUBDIVISION, and as to location of the building with respect to topography and finished ground elevation. The said Architectural Control Committee or its designated representative must approve the design and location of any building. In the event said Committee, or its designated representative, fails to approve or disapprove the design and location of any such building within forty-five (45)

The Architectural Control Committee may, at its sole option, approve the re-subdividing of more than two (2) residential lots, as shown on the recorded maps or plats of SPRING SHADOWS SUBDIVISION, provided that no building site created by any such re-subdivision be established having an area less than the square foot area of the smallest platted lot comprising part of the area to be re-subdivided.

ARTICLE IV.
SPRING SHADOWS CIVIC ASSOCIATION, INC.

SECTION 1: Membership. Every person or entity who is a record owner of any of the Properties which are subject, or which will be subject, upon the completion of improvements thereon, to maintenance charge assessment by the Association, including contract sellers, shall be a member of the SPRING SHADOWS CIVIC ASSOCIATION, INC. The foregoing is not intended to include persons or entities who hold an interest merely as security for the performance of an obligation or those having only an interest in the mineral estate. No owner shall have more than one membership, regardless of the number of lots owned (See Section 6 herein for voting rights). Membership shall be appurtenant to and may not be separated from ownership of the land which is subject to assessment by the Association. Ownership of such land shall be the sole qualification for membership.

SECTION 2: Maintenance Assessments. Owners impose on each Lot within SPRING SHADOWS SUBDIVISION and hereby covenant, and each Owner of any Lot, by acceptance of a deed thereto, whether or not it shall be so expressed in such deed, is deemed to covenant and

agree to pay to the Association the following: (a) annual assessments or charges to be established and collected as hereinafter provided, and (b) special assessments for emergency situations; except said annual and special assessments shall not be levied against any unimproved lot until a residence is built on same and it is occupied. However, this exception does not pertain to an unimproved lot or lots used in conjunction with the residence built on another lot. The annual and special assessments, together with interest, costs and reasonable attorneys' fees, shall be a charge on the land and shall be secured by a Vendor's Lien which is hereby reserved in favor of the Association and its successors and assigns, upon each Lot against which each such assessment is made, to the same extent as if retained as a vendor's lien by the Grantor in each deed to any such Lot and expressly assigned to the Association without recourse to any extent unto said Grantor. Each such assessment, together with any accrued interest, and all collection costs and reasonable attorneys' fees incurred to enforce payment thereof, shall also be the personal obligation of the person or entity owning such Lot at the time when each assessment becomes due and payable. The personal obligation for delinquent assessments shall not pass to such person's or entity's assignee or successor in title unless assumed by such assignee or successor.

SECTION 3: Purpose of Assessment. The assessment levied by the Association shall be used exclusively to improve, beautify and maintain entrance ways, signs or any other common area of SPRING SHADOWS SUBDIVISION, to promote recreation, health, safety, convenience and welfare of the Members, such benefits to include by way of illustration but not limitation, to provide patrol or watchman service, to fog for insect control and to provide special garbage pick-up; to enforce the covenants contained herein; to employ at the request of the Architectural Control Committee one or more architects, engineers, attorneys or other consultants, for the purpose of advising such Committee in carrying out its duties and authority as set forth herein; to provide and do all

other things necessary or desirable, in the opinion of the Board of Directors of the Association, for the maintenance and/or improvement of SPRING SHADOWS SUBDIVISION, and for the benefit of the Members of the Civic Association, the foregoing uses and purposes being permissive and not mandatory, and the decisions of the Board of Directors of the Association being final as long as made in good faith and in accordance with the law and the By-Laws governing the Association.

SECTION 4: Maximum Annual Assessment. Each Lot shall be subject to an annual maintenance charge of not more than \$120.00 per Lot and not to exceed an annual increase thereafter of ten per cent (10%), for the purpose of creating a fund to be known as the SPRING SHADOWS MAINTENANCE FUND. This maintenance charge shall be payable to SPRING SHADOWS CIVIC ASSOCIATION, INC., its successors and assigns, annually, in advance, on the first day of January of each year, and shall commence on January 1, 1983.

SECTION 5: Special Assessments for Emergency Situations. In the event the foregoing annual assessment is not adequate to take care of any unforeseen emergency arising out of the Association's performance of its duties under the terms of the covenants, conditions and restrictions herein created, the Association may levy against all Lots, in any assessment year, a special assessment applicable to that year only for the purpose of defraying, in whole or in part, the cost of said emergency situation; provided that any such assessment must have the assent of two-thirds (2/3) of the vote of all members who are voting in person or by proxy, at a meeting duly called for this purpose.

SECTION 6: Voting Right. The ownership of a Lot shall entitle the Owner or Owners thereof to cast Two (2) votes; however, the ownership of an additional Lot or Lots shall not entitle the said Owner or Owners to cast more than said Two (2) votes. When more than one (1) person holds an interest in any Lot, the Two (2) votes for said Lot shall be exercised as they among themselves determine.

SECTION 7: Date of Commencement of Annual Assessments: Due Dates. The annual assessments provided for herein shall commence as to

the Lots on the dates fixed by the Board of Directors to be the dates of commencement. The first annual assessment shall be adjusted according to the number of months remaining in the calendar year. Thereafter, the Board of Directors shall fix the amount of the annual assessment against each Lot at least Thirty (30) days in advance of each annual assessment period.

The due dates shall be established by the Board of Directors. The Association, upon demand, and for a reasonable charge, shall furnish a certificate signed by an officer of the Association, setting forth whether the assessments on a specified Lot have been paid.

SECTION 8: Effect of Non-Payment of Assessments - Remedies of the Association. Any assessment not paid within Thirty (30) days after its due date shall bear interest from the due date until paid, at the rate of Ten per cent (10%) per annum. The Association may bring an action at law to collect such assessment against the Owner personally obligated to pay the same or foreclose the Vendor's Lien reserved herein against the Lot against which such assessment is levied, or may enforce collection by any other means authorized by law. The Association shall be entitled to recover interest accrued, at the rate hereinabove set forth, together with collection costs and reasonable attorneys' fees incurred by it in enforcing payment of such assessments. No Owner may waive or otherwise avoid liability for the assessments provided for herein by non-use of the Common Area or by abandonment or conveyance of his Lot.

SECTION 9: Subordination of Lien: The Vendor's Lien, reserved herein as security for the payment of the annual and special assessments set out herein, shall be subject, subordinate, inferior and secondary to all liens, mortgages and encumbrances, whether now or hereafter existing, that (a) are created to secure the payment of the purchase price of all or any part of any Lot (and any improvements thereon), situated within the plats establishing SPRING SHADOWS SUBDIVISION, or (b) are created to secure the payment of all amounts due or to become due under and by virtue of any contract, now or

hereafter executed, for the construction, addition or repair of any improvements now or hereafter situated upon all or any part of any Lot situated within the plats establishing SPRING SHADOWS SUBDIVISION.

The sale or transfer of any Lot shall not affect the lien securing the assessments provided for herein. However, the sale or transfer of any Lot, pursuant either to mortgage foreclosure or to any proceeding in lieu thereof, shall extinguish the lien of such assessments as to any payments that have become due and payable prior to such foreclosure, sale or transfer in lieu thereof. No foreclosure or sale or transfer in lieu thereof, covering any Lot, shall relieve the purchaser or transferee thereof from liability for any assessments thereafter becoming due and payable, nor release any such Lot from the lien securing payment of such subsequent assessments.

ARTICLE V.
SEVERABILITY

Any violation of any of the covenants, agreements, reservations, easements and restrictions set out herein shall not have the effect of impairing or affecting the rights of any mortgagee, trustee or grantor under any mortgage or Deed of Trust, or the assignee of any mortgagee, trustee or grantor under any such mortgage or Deed of Trust outstanding against the property covered by any such mortgage of Deed of Trust at the time the easements, agreements, restrictions, reservations or covenants may be violated.

EXECUTED the dates of our acknowledgments set forth below, effective as of September 21, 1982.
